

“The Palace of Culture”

A Photographic History of Onllwyn Welfare 1920-2020

How many people do you know in this photo of the opening of the Hall in 1955?

Can you help with photos of your own to tell the story of the ‘Palace of Culture’ and its playing fields?

Onllwyn Welfare has been given a generous grant by CISWO to recapture our past and will be assisted in the production of a permanent photographic exhibition in the Hall by the celebrated local photographer Roger Tiley.

Please contact Hywel Francis for further information or offers of help with photos of your own on 07947 756483 or drhywelfrancis@gmail.com
