Jill Douglas Nursery Manager

The Nursery is registered with Care Standards Inspectorate of Wales, and run by fully qualified and experienced staff, who all hold First Aid Certificates and Food Hygiene Certificates.

We provide warm and consistent care in safe and stimulating surroundings. Every effort is made to ensure children receive the opportunity to play and learn at their own level.

The Nursery is committed to the integration of children with special needs. Our philosophy is that children with a special need have a right to be educated and to develop to their full potential alongside other children. Everyone stands to gain if all children are allowed to share the same opportunities and helped to overcome any disadvantages they may have to face.

Crèche 1: For children two years and over, is well equipped and is used for activities such as messy play, painting and play dough etc. It also has a home corner, a construction area and a book corner.

Crèche 2: For children under two years of age, and consists of a role-play area, construction area and a sensory corner. There is a screened off rest area for naptime.

The Nursery has its own kitchen where nutritious and healthy meals are prepared daily. We also cater for special dietary requirements.

We have our own play area, which is safe and secure with bikes, slide, seesaw and lots of other suitable outdoor equipment.
